The events/journeys/meetings in question are (<i>list provided</i>): Please note: for the avoidance of doubt, although I have previously received an FOI detailing expense related data from Udaras, this is clearly distinct from the present request. Rather, the records I am currently seeking consist of certain claim forms, supporting documentation etc, which have not been made available to me. The fact that some of the information contained in those records has been released to me already is irrelevant because the records I currently request have not been released. In any event, the expense claim forms /supporting documentation themselves are likely to contain more information than has already been released to me. I am seeking electronic copies of these records, if possible. If this is not possible, and if it is more expedient to obtain hard copy records, I would appreciate if someone can let me know so I can advise you of my postal address.	Ceadaithe/Granted	15/12/2020
